WATERWATCH

ACT Aquatic Species and Riparian Zone Conservation Strategy: Action Plan No. 29 – Department of Territory and Municipal Services (publisher), 2007.

Animals Without Backbones: 1 – Ralph Buchsbaum (author), 1964.

Animals Without Backbones Volume Two – Ralph Buchsbaum (author), 1960.

Aquatic Chemistry: an introduction emphasizing chemical equilibria in natural waters (2nd ed.) – Werner Stumm & James J. Morgan (authors), 1981.

Aquatic and Wetland Plants – Nick Romanowski (author), 1998.

Assessing community capacity for riparian restoration – Don Thomson & Sharon Pepperdine (authors), 2003.

Australian Freshwater Ecology: Processes and Management - Andrew J Boulton & Margaret A Block (authors), 1999.

Australian Terrestrial Biodiversity Assessment 2002 – Paul Sattler & Colin Creighton (editors).

Belconnen's Urban Parks, Sportsgrounds and Lake Ginninderra – Manidis Roberts Consultants (publisher), 1997.

(the) Bug Book – Nikki Plunkett-Cole (editor), 1997.

Campfire: Community Assessment Monitoring Program for Fire Impacted Ecology, Year 1 Report – Waterwatch (publisher), 2004.

Canberra's Urban Lakes and Ponds: Plan of Management – Canberra Urban Parks & Places/ Urban Services (publishers), 2001.

Conserving Natural Rivers: a guide for catchment managers – Peter Cullen (author), 2002.

CSIRO Urban Water: Final Report – CSIRO Urban Water (publishers), 2003.

Draft Aquatic Species and Riparian Zone Conservation Strategy: Draft for Comment, Action Plan No. 29 – Arts, Heritage and Environment (publisher), 2006. (Includes public comments).

Draft Integrated Catchment Management in the Murray-Darling Basin 2001-2010 – Murray-Darling Basin Ministerial Council (publisher), 2000.

(an) Ecological Basis for Water Resource Management – WD Williams (editor), 1980.

Farm Water – David Hislop (author), 1998.

Fishes of the Murray-Darling Basin – Mark Lintermans (author), 2009.

Future Water Options – ACTEW Corporation Ltd (publisher), 2005.

Ginninderra Creek Open Space – National Capital Development Commission (publisher), 1978.

Ginninderra Waterwatch: Water Quality and Catchment Health Report, Summary of Results 1999 -2005 – Ginninderra Catchment Group Inc (publisher), 2007.

Greywater Use – Department of Urban Services (publisher), 2004.

Herpetofauna, Vol. 38, No. 2 – Australasian Affiliation of Herpetological Societies (publisher), 2008.

Investigating Aquatic Ecosystems – William A. Andrews (editor), 1987.

Lower Molonglo River Corridor: Draft Management Plan 1998 – Department of Urban Services (publisher).

Managing the Impacts of Carp – John Koehn, Andrea Buckley & Peter Gehrke (authors), 2000.

Managing Creeks and Waterways in the Southern Tablelands of New South Wales: A woolgrowers guide – Land & Water Australia (publisher), 2007.

Management Plan 1994: Jerrabomberra Wetlands Nature Reserve – ACT Parks and Conservation Service (publisher).

National River Health Program: The Urban Sub-Program – J R Anderson (author), 1999.

Native Fish Strategy for the Murray-Darling Basin 2003 – 2013 – Murray-Darling Basin Ministerial Council – (publisher), 2003.

(the) Patience of the Water Scorpion – Stephen Skinner (author), 2010.

Planting, Wetlands & Dams – Nick Romanowski (author), 2000.

Principles for riparian lands management – Siwan Lovett & Phil Price (editors), 2007.

Rainwater Tanks – ActewACL/Environment ACT/ ACT Planning & Land Authority (publishers), 2004.

Rapid Appraisal of Riparian Condition (Version Two) – Amy Jensen, Alistar Robertson, Leigh Thompson & Andrew Wilson (authors), 2005.

Recognising Water Weeds: Plant Identification Guide – Jessica Grantley, Fiona McPherson & Andrew Petroschevsky (compilers), 2009.

Recognising Water Weeds: Early Detection Survey Guidelines for Weed Professionals – Jessica Grantley, Fiona McPherson, Phil Moran & Andrew Petroschevsky (authors), 2009.

Restoring Rivers and Riparian Lands All Over Australia – Various Fact Sheets, publisher/year not identified.

Rivers As Ecological Systems: The Murray-Darling Basin – W. J. Young (editor), 2001.

Riverways: Shortcuts to River Management Information in Australia – Greening Australia (publisher), 2005.

Rivers Program: Managing Rivers – Murray-Darling Basin Commission (publisher), 2003.

Rivers Program: Understanding the Basin – Murray-Darling Basin Commission (publisher), 2003.

Rivers Program: Managing Fish – Murray Darling Basin Commission (publisher), 2003.

Rivers Program: Managing Catchments – Murray Darling Basin Commission (publisher), 2003.

Rivers Program: Managing Wetlands – Murray-Darling Basin Commission (publisher), 2003.

Rivers Program: 10 Years 1990-2000 – Murray-Darling Basin Commission (publisher), 2003.

Salinisation in the Upper Murrumbidgee Catchment – P. Lane, P. Fogarty & G. Walker (authors), year not identified.

Snags: a valuable but scarce resource – Peter Cottingham, Lynne Sealie & John Whittington (authors), 2001.

(the) Stream Conservation Handbook – J. Michael Migel (editor), 1974.

Stock and Waterways: A manager's guide – Land & Water Australia (publisher), 2006.

Sustainable Rivers Audit: Fish Theme – Murray-Darling Basin Commission (publisher), 2004.

Sustainable Rivers Audit: Hydrology Theme – Murray Darling Basin Commission (publisher), 2004.

Sustainable Rivers Audit: Macroinvertebrate Theme – Murray-Darling Basin Commission (publisher), 2004.

Sustainable Rivers Audit: Physical Habitat Theme – Murray-Darling Basin Commission (publisher), 2004.

Sustainable Rivers Audit: Water Processes Theme – Murray-Darling Basin Commission (publisher), 2004.

Think Water, Act Water: Vol.3 Draft state of the ACT's water resources and catchments – ACT Government (publisher), 2003.

Urban Wetland: Sullivans Creek Catchment Management Plan (For Public Comment) – Jennie Gilles (author), 2000.

Water – Luna B. Leopold & Kenneth S. Davis (authors), 1972.

Water: National Geographic Special Edition - William Graves (editor), vol. 184, 1993.

Water Watch: A community action guide – Asia-Pacific People's Environmental Network (publisher), 1998.

Wet & Wild – Mark Lintermans & William Osborne (authors), 2002.

What fish is this? – NSW Department of Primary Industries (publisher), 2007.

Willow Identification for River Management in Australia - K W Cremer (author), 1995.

World Water and Environment – Colin & Maxine Sale (authors), 1967.

Uncharted Waters – Daniel Connell (editor), 2002.
